- Graph Paper

Algebra 2, Geometry, AP Calc BC —Mr. Giles

- 2" 3 ring binder
- Paper
- Pens/Pencils
- See note below about Calculators

Math Analysis, AP Stats—Mr. Mac

- 3 ring binder (I give a lot of handouts/notes etc)
- Paper
- Pens/Pencils
- Roll of Patterned Duck Tape
- See note below about Calculators

CALCULATORS—CGS has calculators for students to use during class, but they are not allowed to leave the room. We also use the DESMOS app that can be used on their phone. For Calculus, TI-89s are available to check out and use at home. Please consult your teacher if you are planning to purchase one.

You will need a binder for Culminating—you will use the same one for 9th and 10th grade, and the same one for 11th and 12th grade.
